A BIG THANK YOU TO LANGTON PUBLIC SCHOOL

Students at Langton Public School know how to take a spooky day and turn it into a special one... To celebrate Halloween the 220 students and staff have a tradition: they came to school that Friday dressed in black and orange, with collections of quarters. They hand-in that change in order to participate in a variety of afternoon activities. Every year they pick a different local charity to donate all that money to: this year they selected Big Brothers Big Sisters serving Brant, Brantford, Haldimand, and Norfolk.

Teacher and Organizer Elizabeth Eller: "It is really important to us that our children give back to the

community - that they understand there are others in Norfolk in need of some help."

LocalBigBrothersBigSistersResource Coordinator Renee VanderHarst: "It was one of those unexpected phone calls that really blew us away. Not only is the money greatly appreciated but the invitation to go into each classroom to talk about who we are and what we do really made the event special for us. We were pleasantly surprised when all that change added up to \$407.25."

It just goes to show that no matter how Big or Little, when we work together we really can make a difference in our community.
